## **RMS Baseball Team Policies and Expectations**

- Attendance for all games and practices is expected unless there is a valid reason for missing it. (For example, illness, family emergency, doctor/dentist appointment).
- If a player has a valid reason then they should notify Mr. Teixeira the day before the absence is to happen. Missing practices or games without a valid reason or without notifying the coach will result in a loss of playing time.
- Academics are the priority! Students should attend extra help for any class in which they are struggling in.
